### THE NEXT TRAIN ARRIVING AT PLATFORM 3...IS THE CENTENARY EXPRESS.....

Step onboard and join us for a fun day of railway themed adventures as we celebrate 100 years of Guiding.

Kinver Scout Camp has been reserved EXCLUSIVELY for Guiding, the site has been transformed into 4 platforms, each with a series of puzzles, challenges and activities for both Leaders and Kids to either compete or complete!

One of the platforms is operated by members of the local model railway enthusiasts club who will be providing an unforgettable train ride experience.....

Whilst this is a "Saturday" only event, if your troop / pack or unit wishes to make use of the campsite for the duration of the weekend, you can pay an additional fee and are welcome to stay over on the Friday and Saturday nights. Although you are expected to bring your own camping equipment, food and arrange your own activities outside of "Saturdays" event.

## VALID ONLY WITH RESERVATION (S)

The day starts with your safe arrival at the ticket office, here you will collect your train tickets and then assemble on the platform waiting the departure of your train.

The Fat Controller will be there, he's got responsible to ensure both safety and to make sure the trains run to schedule.

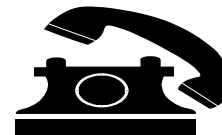

10AM: ALL ABOARD!, Toot... The shout and blow of the whistle, your adventure begins.....

All trains depart at 10am sharp, each one traveling via one of the four different routes and each stopping at different intervals at one of the four different platforms. Here you will enjoy a variety of puzzles, challenges, activities and the model train ride experience.

If you would like to take part then fill in the application on the back of this brochure and return your entry no later than 1st June 2010 .

On receipt of your booking, you will receive a detailed Leaders pack, containing the programme, ideas and suggestions and other general information.
